Following a very successful sell-out Charity Ball in 2013, Bramham Ball had no hesitation in re-booking Premier Event Marquees straight away for 2014. Their unique modular "pod" design enabled the Ball to grow whilst retaining the intimate ambience of these very special marquees. For 2014 the marquee size has almost doubled, and the support we have had from Premier Event Marquees and particularly Phil de Cobain has been astounding. Phil has given us the benefit of his many years' experience in the industry and worked very closely with us, visiting the prestigious grounds of Bowcliffe Hall in Bramham to see first-hand how major building and landscape works had altered the site for the 2014 event, and working with us to offer our guests the very best surroundings for the evening. We will always use Premier Event Marquees for our Bramham Charity Balls and recommend them to others.
