Re: How was your day

Dear Phil,

Thanks for everything you and your team did to make our day so special. We are awaiting the professional photographs and when they come we will send you any we have of the marquee.

We simply cannot thank you enough for the professional service you have provided. The marquees were fantastic. All our guests commented on how they made the day feel so much more relaxed and special. We are so pleased that we chose you, your team and your amazing marquees for our big day... It really would not have been the same without!

Many thanks,
Simon and Robynne Casswell

Dear Simon

Thank you for choosing us to cover your event earlier this year and we hope you had a brilliant day. Any comments you may have on our marquees and the service we provided would be greatly valued.

We are always looking for photographs of events we cover and if you have any photo's of your event that we could use we would very much appreciate it if you could either email them to us or post them on a CD.

Once again thank you for using Premier Event Marquees
